ABOUT THE UNIVERSITY OF OREGON COLLEGE OF EDUCATION

The College of Education (COE), home to 14 undergraduate, masters, and doctoral degree programs, is the highest-ranked academic unit at the University of Oregon according to *U.S. News and World Report's* 2022 ranking; we are No. 14 overall among all doctoral-granting institutions in the US.

The special education program has been recognized as one of the top three in America for 22 years running. Fourteen research and outreach units operate under the auspices of the college where funded research per faculty member is consistently among the highest in the nation. More than 40 faculty-developed assessment tools, therapeutic methods, and curricula, many digital, are used with greater than 97 percent of Oregon children each day in more than 30,000 schools in the US, and in numerous countries and languages around the world.

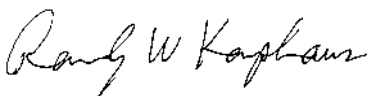

Welcome Graduates, Family Members, and Friends!

Today is a very special day, one that marks an important professional and personal milestone for each of you. On behalf of all College of Education faculty and staff, it is my sincere pleasure to welcome you as we honor and acknowledge our graduating students' achievements.

Graduation brings those who have stood behind and beside each graduate, from near and far, to wish you the very best as you embark on the next phase in your lives. Regardless of your chosen field, you may be confident that you have received the finest education and training from a world-class faculty. Your preparation makes success your destiny.

Today marks the addition of more than 500 graduates who will help improve the lives of children, families, and communities in this state, throughout the nation, and around the world. Graduates, your potential is unlimited, as is your ability to make a difference in this world.

Congratulations and Go Ducks!

HONORING NATIVE PEOPLES AND LANDS

The University of Oregon is located on Kalapuya Ilihi, the traditional Indigenous homeland of the Kalapuya people. Following treaties between 1851 and 1855, Kalapuya people were dispossessed of their Indigenous homeland by the United States government and forcibly removed to the Coast Reservation in Western Oregon. Today, Kalapuya descendants are primarily citizens of the Confederated Tribes of Grand Ronde and the Confederated Tribes of Siletz Indians, and they continue to make important contributions to their communities, to the UO, to Oregon, and to the world.

In following the Indigenous protocol of acknowledging the original people of the land we occupy, we also extend our respect to the nine federally recognized Indigenous nations of Oregon: the Burns Paiute Tribe, the Confederated Tribes of the Coos, Lower Umpqua and Siuslaw Indians, the Confederated Tribes of the Grand Ronde, the Confederated Tribes of Siletz Indians, the Confederated Tribes of the Umatilla Indian Reservation, the Confederated Tribes of Warm Springs, the Coquille Indian Tribe, the Cow Creek Band of Umpqua Tribe of Indians, and the Klamath Tribes. We express our respect to the many more tribes who have ancestral connections to this territory, as well as to all other displaced Indigenous peoples who call Oregon home.
